Dear Feedback Network Member,

The Office of Financial Management (OFM) is seeking your participation in a survey to help inform the Request for Proposal (RFP) process for a lead organization and data vendor for the Washington State All Payer Claims Database (WA-APCD).

[Engrossed Substitute Senate Bill 5084](#), signed by Governor Inslee on May 14, 2015, requires OFM to competitively procure for the lead organization (data center) and data vendor (data aggregator) to establish and operate the WA-APCD.

This survey is one of several activities OFM is conducting to ensure that the RFP requirements accurately reflect the needs and priorities of WA-APCD stakeholders. OFM wants your input about what you would value in a lead organization and data vendor, both in establishing the WA-APCD and around ongoing management and operations. **Please take a few minutes before 5:00 pm on Tuesday, June 16, 2015, to complete the survey, which is available at <https://www.surveymonkey.com/s/WA-APCD>.** You are encouraged to also share this email with other stakeholders who may wish to participate.

Information about WA-APCD activities is located on the OFM Forecasting and Research Division's [Health Care Price Transparency website](#). This site will also include project timelines and status updates. In addition, if you join our [WA-APCD listserv](#), you will receive email notifications about this effort and OFM's other health care price transparency activities.

Thank you for your participation. If you have questions about the survey or the WA-APCD project, please contact Susan Meldazy at apcd@ofm.wa.gov or (360) 725-5541.

Thank you for your interest in a Healthier Washington and for helping make Washington a healthy place to live, work, and play!
